WARFARE**

WEDNESDAY, OCT 28, 2020
10:00–11:00AM PT / 11:00AM–12:00PM MT

WEBINAR: Energy Security in the Era of Hybrid Warfare presented by Dr. Daniel Nussbaum, Chair, Energy Academic Group, Naval Postgraduate School

The Payne Institute for Public Policy at the Colorado School of Mines welcomes Dr. Daniel Nussbaum, Chair, Energy Academic Group, Naval Postgraduate School to present Energy Security in the Era of Hybrid Warfare on Wednesday, October 28, 2020 from 10:00–11:00am PT / 11:00am-12:00pm MT.

Energy Security in the Era of Hybrid Warfare, a study authorized by the NATO Science and Technology Board to analyze hybrid warfare’s impact on the Alliance’s energy security. In addition to the background and progress of this effort, attention is given to the role of the Naval Postgraduate School in the study.

As the Chair of the Energy Academic Group and a faculty member in the Operations Research Department at Naval Postgraduate School (NPS), Dan Nussbaum provides

several critical functions. He designs, develops and delivers courses in Energy Studies and in Cost Estimating and Analysis, mentors' students throughout their graduate coursework, including their master's theses, provides Energy Security, Cost Estimating, and Business Case Analyses for DoD and NATO organizations. He also designs, develops, and delivers distance learning courses in Cost Estimating and Analysis, and in Energy studies. He regularly lectures before professional audiences.
